GENERAL SECRETARIAT

Passes orders regarding the continuance of the Stockmen's Training School at Hebbal for another year (1946-47).

READ—

Government Order No. A. F. 556-7—A. H. 28-44-2, dated 25th May 1945, sanctioning a scheme for starting a school for the training of Veterinary Stockmen at Hebbal for one year from 1st July 1945.

2. Letter No. C. 2-3—45-46, dated 7th May 1946, from the Superintendent, Veterinary and Animal Husbandry Services, proposing the continuance of the Stockmen's Training School at Hebbal for another year (1946-47).

ORDER No. A. F. 720-31—A. H. 202-45-2, DATED BANGALORE, THE 29TH JULY 1946.

The Superintendent, Veterinary and Animal Husbandry Services, states that at present 48 candidates are undergoing training and that the successful candidates will be available by about the beginning of July 1946 for being appointed in the department. He further states that with the launching of the several schemes envisaging the expansion of the live-stock improvement work in the State, a large number of these trained men will be required for being appointed in the rural Veterinary Dispensaries, Cattle, Sheep and Poultry Farms as also in the Laboratories of the Mysore Serum Institute and Research Section and that it is therefore advisable that the scheme should be continued for at least five years more, by which time it is hoped that all the men required for staffing the lower subordinate technical staff will have been trained. He adds that the scheme was considered by the Board of Agriculture and also the Finance and Co-ordination Committee of the Mysore Economic Conference. The Superintendent accordingly proposes that the scheme may be extended for another year, *viz.*, 1946-47 in the first instance at a capital expenditure of Rs. 10,000 and a recurring expenditure of Rs. 25,094. He also adds that a provision of Rs. 7,000 is made for providing hostel facilities to the students in the light of last year's experience and that as most of the students coming, as they do, from the moffusil find it hard to find suitable accommodation and food in Bangalore within the stipend given to them, hostel accommodation is necessary and may be provided, the Reserve Depot of the Mysore Serum Institute being converted temporarily into a hostel for the present and utensils being purchased to the value of about Rs. 1,000 for the hostel.

The proposal of the Superintendent, Veterinary and Animal Husbandry Services, as detailed above is sanctioned subject to the condition that the places of 3 Veterinary Inspectors and 12 Salustries, who are drafted for teaching work and who have been included in the Scheme, may be kept vacant in the original places.

A statement showing the financial implications of the scheme for the continuance of Stockmen's Training Schoo during 1946-47 is appended to this order.

MOHAMED ISMAIL SHERIFF, *Genl. Secy.*
